

Impact of the Asian Youth Alliance (AYA):

- Created a strong community of support during the pandemic and beyond when youths are feeling isolated
- Created a safe community and bond during an unprecedented time of Asian-hate sentiments
- Outreach to more than 14 school districts and 300+ attendees
- Delivered 8 Impactful Youth Events that included mental health and wellness topics, life skills, career planning, social skills, and social events that built a sense of community
- Programs put in place to address the needs of the Nepali-Bhutanese refugee students
- AYA is considered as a top Asian Youth Program with several organizations from different states wanting to learn our processes and collaborate with us
